

Seamlessly Manage ICM Processes, Natively within your CRM

Given that [approximately 10% of a company's revenue](#) is allocated to incentive compensation, optimizing this investment is paramount. Xactly for CRM empowers organizations to manage their incentive compensation processes directly within the CRM systems their teams utilize daily, such as Salesforce and Microsoft Dynamics. This native integration facilitates the effortless creation, adjustment, and approval of compensation plans and data before payouts. Ultimately, it provides go-to-market (GTM) teams with the necessary visibility to ensure confidence in their commissions.

The Value of Xactly for CRM:
